

Congratulations to the following students who participated in the Junior Academy of Science the weekend of February 8-9 at UTSA. Each student had to present their scientific findings in an oral presentation and be prepared to answer questions from the judges. They also had to submit two copies of their scientific research papers.

Stephen Gonzalez
4th Place in Environmental

Marquez Gomez
3rd Place –Physics

Andie Urrutia
3rd Place Chemistry

Marisa Lopez
2nd Place- Biochemisrty

Clarissa Berlanga
2nd Place Medicine and Health

Megan Medrano
2nd Place Medicine and Health

Nick Ramos
2nd Place medicine and Health

Zachary Conger
Third Grand Prize-Overall Best
