

Parent/Guardian Prayer Services

2011-2012

The Spiritual Committee of the PTC would like to invite you to attend our Parent/Guardian Prayer Service the first and third Friday of each month from 7:30am-7:45am in front of the Grotto next to the flag pole (in case of inclement weather we will meet in the small cafeteria). Your child can attend the prayer service with you prior to going to class. Each service is dedicated to a grade level or group and we pray for the Students/Faculty/Staff by name.

Parent/Guardian Prayer

They are little only once Lord. Grant me the wisdom and patience to teach them to follow in your footsteps and prepare them for what is to come. They are little only once Lord. Make me take the time to play, pretend, to read or tell a story, to cuddle. Don't let me for one minute think anything is more important than the school play, the recital, the big game, fishing or the quiet walk hand in hand. All too soon Lord, they will grow away and there is no turning back. Let me have my memories with no regrets. Please help me to be a good parent, Lord. When I must discipline—let me do it in love, let me be firm, but fair; let me correct and explain with patience. They are growing away Lord. While I have the chance, let me do my best for them. For the rest of our lives, please Lord, let me be the best model of Christian love. Amen.
