Our **Baseball and Soft ball teams** hosted their 4th Annual SGS baseball/ Softball tournament this past week, February 26th-February 27. The teams worked hard to get the both fields ready for competition and did a fantastic Job. A special thanks to the parents who pitched in to make this event happen. Our Boy's baseball team played hard and made to the championship game but fell a little short, finishing in second place. The Lady Charger softball team played with much gusto but wound up in the consolation bracket. The lady Chargers won the consolation bracket. Way to go Chargers!! Good luck as you continue to play throughout the season.
